ADDENDUM TWO to

**SEAL AND STRIPE STADIUM PARKING LOT AND REPAVE FIELD WARNING TRACK**

Bid# 11-07

**Revise Paragraph 1.17, Section 01010, to read as follows:**

**1.17 Clean Up**

CONTRACTOR shall leave the jobsite in a neat and clean condition, free of all construction debris or other CONTRACTOR generated wastes. This includes, but is not limited to, the cleaning of any debris which may migrate over the field wall into the lower bowl seating area and debris in the field trench drain. Particularly, the football field surface shall be left undamaged with no ruts, no damaged sod, and no bare or dead spots in the sod. Sod adjacent to the WORK area shall be raked clean of all bits of asphalt, gravel or other paving related debris related to new WORK and/or removal of old surface. Prior to leaving the jobsite, CONTRACTOR shall notify OWNER for the purposes of a visual walk through inspection of the field so that any corrective measures can be identified and immediately corrected. The field sprinkler system shall also be tested in the presence of the CONTRACTOR and the OWNER to detect any damage to heads or piping. Both a pre and post WORK test shall take place. Condition and deficiencies pre WORK, not the responsibility or fault of the CONTRACTOR, shall be documented. However any damage detected as a result of the WORK will be promptly repaired to its previous condition at no additional cost to OWNER.

**Add Paragraph 1.18, Section 01010**

**1.18 Field Sod**

Per paragraph 1.17 above, the field shall be completely protected at all times. Any damage that occurs as a result of this WORK shall be corrected and restored to its previous

condition to the satisfaction of the OWNER, at the CONTRACTOR'S expense. Any required restoration of the sod shall be performed by the OWNER'S Term Contractor, Quality Turf, under the OWNER's term contract and shall be coordinated by the CONTRACTOR through the OWNER'S Project Manager. For purposes of sod restoration, Quality Turf will be contracted directly by the OWNER and there will be no contractual obligations required between CONTRACTOR and Quality Turf. The CONTRACTOR shall include an allowance of \$9,400.00 in his bid, as indicated on the bid form, for potential replacement of any damaged sod. The Allowance is a separate item and shall not be included in the total of the Base Bid. The total contract amount will be considered to be the sum of the Base Bid and the Allowance. The OWNER shall reconcile this allowance with the CONTRACTOR at the close out of the project.

**Replace pages BF-1 through BF-4 of the Bid Form in the Bid Documents with the following REVISED pages:**

**TAMPA SPORTS AUTHORITY**  
Seal and Stripe Stadium Parking Lot and Repave Field Warning Track  
Bid #11-07  
**TAMPA, FLORIDA**

**BID FORM**

**DESCRIPTION**

This bid shall be priced according to the specifications and drawings. By signing this bid, the bidder agrees that this bid is made without any understanding, agreement or connection with any other person, firm or corporation making a bid for the same purpose and that this bid is in all respect fair and without collusion or fraud. Unsigned bids will be considered incomplete and subject to rejection. In addition, Bidder represents acceptance of the terms and conditions of the foregoing specifications and provisions.

**BASE PROJECT BID**

The Base Bid includes all labor, material and equipment to clean, patch, reseal and restripe parking lot at Raymond James Stadium. This bid also includes all labor, material and equipment to remove and replace existing asphalt warning track surfaces on football field. The bid shall be based upon the items included in the specifications and Drawing Sheet 1 titled **Seal Coat Existing Asphalt Parking Lot & Mill & Repave Existing Asphalt Warning Track**. The Project Bid Total shall include all work as a completed project as shown on the drawings and specifications including that which is not specifically listed on this form.
