

TAMPA SPORTS AUTHORITY
PROFESSIONAL QUALIFICATIONS STATEMENT

GENERAL INSTRUCTIONS

1. Please type. The entire proposal must be limited to 40 single sided 8 ½" x 11" pages (or 20 8 ½" x 11" pages printed front and back), including the PQS form pages 4 through 8, the letter of interest and any other information, excluding cover sheets and divider pages.
2. This instruction portion (pages 1 – 3) shall not be submitted.
3. The PQS form may be retyped and sections increased in size to accommodate additional information or pictures provided all requested information is included and in the order requested.

SPECIFIC INSTRUCTIONS

(Note: the numbers in the specific instructions below correspond to the numbered items on the PQS form (pages 4 through 8) Use additional sheets when necessary, following the format on the PQS form)

1. **PROJECT INFORMATION:** Enter the project name and RFQ number as it appears in the public advertisement.
2. **APPLICANT IDENTIFICATION:** Enter the legal name of the applicant, the address, the telephone number and other requested information. If the firm applying has multiple office locations, the applicant is considered to be the only office location where work will be done and whose address is provided in this section and shall be hereafter referred to as "applicant". Consider only the specific office branch listed in response to this section when completing all other sections of the PQS. Other branch offices are not to be considered when completing the other questions. Attach a copy of the applicant's current Professional License. If a corporation, include a copy of the corporate charter certificate from the Florida Department of State. If the applicant is an out of state corporation, enter the foreign qualification number and provide a copy of the Department of State certificate.
3. **SERVICES TO BE PROVIDED:** For the disciplines listed, note which are being provided as a part of Basic Services by entering the name of the firm providing the services. If services are to be provided by the applicant, so indicate. If a consultant is to provide the service, list the consultant's name and professional license number from the appropriate Florida Licensing Board in the space provided. Use names and license numbers of the firms as a whole rather than individuals in the firm. Enter the number of previous projects on which the applicant has worked with each listed consultant.
4. **MINORITY PARTICIPATION:** Participation of certified MBE's (WMBE/DM/DWBE) is encouraged. If 10% or more of the fee is to be spent with a minority business enterprise, complete the information on 4c noting the fee percentage. Only Minority Business Enterprises certified either directly by Hillsborough County or by reciprocity will receive consideration for additional credit in rating the applications. Provisional Reciprocal Certification shall be granted for one (1) six (6) month period to firms which are principally domiciled in the State of Florida and certified by other jurisdictions within the State. When requesting bonus points, firms shall include with the PQS a copy of the certifying governmental agency certification letter issued to the WMBE/DM/DWBE being utilized. Applicant shall also include a signed letter of commitment on company letterhead certifying that a minimum of 10% of its ultimate fees will be subcontracted to WMBE/DM/DWBE(s), as identified in the letter. The letter must also include the RFQ number and project name.

5. a **WORK IN PROGRESS:** List each project currently under contract, including contracts as a consultant to other firms. If the applicant office is providing services for a contract held by a branch office include a representative proportion of the fee based on man-hour records. NOTE: for projects for which the fee is less than \$20,000.00, the entry may be consolidated onto one line (Example: 3 studies, 4 small projects Fee Remaining = \$84,000.00)
- For all projects, enter the total amount of fee remaining (unearned) including fees for additional services but excluding fees payable to consultants, in the “fees remaining” column.
- For projects under contract but on hold for a long or indefinite period of time, enter the amount of fee remaining as described in the ON HOLD column and provide a letter from the Owner verifying that the project is on hold. Typically projects on hold due to funding issues or projects awaiting approvals to proceed into the next phase are not considered to be on hold. Also include projects awarded to the applicant firm, but not yet under contract in this column with an estimated fee amount.
5. b **PROFESSIONAL AND TECHNICAL STAFF, excluding consultants:** Provide the number of permanent staff in each category and calculate the total. Exclude secretarial and marketing staff and any staff whose technical duties comprise less than 70% of their responsibilities. Only staff assigned to the office location identified in question 2 shall be included. If a staff member works part time or divides time worked between the applicant office and another branch, use the appropriate fraction. Provide the name, title, length of time with firm, and city of residence for each individual included in the Total Professional and Technical Staff on an attachment in the format provided.
5. c **FEE PER PERSON:** Complete the required calculation.
6. **RELATED EXPERIENCE:** List up to ten projects of comparable type, size and complexity which were accomplished by the applicant identified in question 2. Do not list more than ten. Do not list any projects accomplished by another branch office unless an individual on the proposed team was involved in the project. Provide the requested information about each project. In the shaded areas, list the individual members of the team proposed for this project, including consultants who were involved on the listed project and their role in the project. A brief description may be provided to demonstrate the components of this project which are comparable to the proposed project.

For the column titled “Role in Project”, enter the following:

- **“Principal”** if the project was accomplished by the applicant firm office location identified in response to question 2 (if the project was done by a branch office, refer to IE below)
- **“Consultant”** If the project was accomplished as a consultant to another firm
- **“IE”** (individual experience) if the project represents experience of an individual on the project team while working for another firm or another branch of the applicant’s office. In such cases identify the individual by name and indicate what role was played in the project, i.e. project manager, principal-in-charge, project architect, etc)

Related experience of the applicant’s consultant’s may be provided as information on a separate sheet and clearly marked as “Experience of (name of consultant)”. **No more than ten projects may be listed for all consultants combined.**

7. **PROPOSED PROJECT TEAM:** List by name the key members of the proposed team to be assigned to the project for both the applicant and the consultants. If categories are not applicable, so note. For “Other Key Members”, insert their titles inside the parentheses. For all individuals listed, note whether or not they are registered, the discipline of the registration/certification/training and cities of residence. Attach resumes.

The team proposed on the PQS must be available to provide the services for the project. If the applicant discovers prior to an interview that any part of the team listed on the PQS (either individual, staff or

consultants) will not be available, it must notify the selection committee immediately. The selection committee will determine if the change in team status affects their shortlist score and will advise accordingly. Once awarded a contract, the applicant will not be permitted to alter its team without the Owner's approval.

8. **REFERENCES:** For projects listed in response to question 6, provide the project name, the Owner and the name and telephone number of the Owner's representative. Provide the estimated or actual completion date and construction cost. References for consultants may be requested at the option of the selection committee.
9. **SIGNATURE:** Sign and date the form. Type the name and title of the officer or principal of the firm who signs the form. **Forms must be signed. (NOTE: signature indicates that the information provided on the PQS form is accurate and in accordance with the PQS instructions (pages 1-3) Signature also indicates applicant profession that it has not been disqualified from applying for state work under suspension resulting from the conviction of any public entity crime as described in Section 287.133 FS. Information submitted is subject to the laws of crime as stated in Chapter 837, FS. Signature further denotes the applicant's agreement that if information contained in the PQS is found to be false, the applicant may be disqualified from applying for Tampa Sports Authority work for up to three years.)**

Requests for clarifications regarding the PQS form should be directed to Tampa Sports Authority to the attention of Judy Baker, Project Manager, at 813-350-6519 or Jabaker@tampasportsauthority.com.

PROJECT FACT SHEET

DESIGN FOR REPLACEMENT OF VIDEOBOARDS AND CONTROL ROOM UPGRADE

RFQ #12-06

Introduction

The Tampa Sports Authority is accepting applications for qualifications from professional engineering consultants for services associated with the replacement of two video boards, associated displays and the upgrade of the scoreboard control room at Raymond James Stadium in Tampa, Florida. The stadium is a publically owned football stadium constructed in 1998 with a capacity of 65,890 seats. It is the home of the NFL Tampa Bay Buccaneers and the University of South Florida Bulls. The Tampa Sports Authority office is located at Raymond James Stadium, 4201 North Dale Mabry Highway, Tampa, Florida 33607.

Description of project

1. Replace Existing Video Boards and Displays

The scope of replacement shall include the removal of existing displays, installation of new displays in the same size and configuration, and all associated electrical upgrades, HVAC modifications and structural modifications as may be required. The displays are to be installed in the same location as the existing displays. The new replacement displays to be provided are as follows:

2 HD LED Video displays approximately 24' x 91' in size, located on the exterior scoreboard structure

2 HD LED Video displays (scoreboard/message center) approximately 13' x 30' in size, located on the exterior scoreboard structure

4 HD LED sideline ribbon displays approximately 2.5' x 56' in size, located on exterior sideline fascia

3 locker room clocks (interior locker rooms)

6 game clocks (interior)

6 delay of game clocks (interior)

2. Upgrade Existing Scoreboard Control Room

The scope of upgrade shall include equipment and upgrades as required to replicate with HD equipment including any electrical or other utility upgrades within the existing scoreboard control room. Systems will be commensurate with other NFL control rooms.

The design shall also address a new space layout as required to maintain heat and noise generating equipment in a separate room. All finishes shall be renovated/replaced; i.e. paint, carpet, ceiling, etc. and a new stand alone HVAC system provided. The head-end for the stadium HDTV system is currently located in this room and shall remain.

Anticipated Budget

The anticipated construction budget for this project is approximately \$7,500,000.00.

Professional Liability Insurance

Professional Liability Insurance in the amount of \$1,000,000.00 is required.

Selection Criteria

Firms will be evaluated in the following areas: current workload, location and experience and ability. Criteria to be considered in "Experience and Ability" include experience with related projects and the expertise of the assigned team. Consultants shall have proven experience with similar projects in terms of scope and budget at the collegiate/professional sports level in venues of similar capacity in addition to experience with other similar projects in large public assembly spaces. Such projects presented as examples of related experience shall have been completed within the past five years. As a part of the evaluation process, the Tampa Sports Authority may elect to contact the project owner or reference. Consultants shall submit only examples that the owner's representative has consented to discuss with Tampa Sports Authority if contacted.

Anticipated schedule

Project must be complete and operational by July 1, 2013 without exception.

Selection committee

Mickey Farrell, Director of Operations, Tampa Sports Authority
Judy Baker, Capital Projects Manager, Tampa Sports Authority
James Duffy, Maintenance Manager, Tampa Sports Authority
TBD, Hillsborough County
(TSA reserves the right change or alter the committee as it may see fit)

General Information

All applicants will be notified in writing of the results of the shortlist ranking. The results will also be posted at the Tampa Sports Authority website @ www.tampasportsauthority.com.

After the interviews, Tampa Sports Authority will make a recommendation to the Chairman of the Tampa Sports Authority Board. Upon approval by the full Board, TSA will negotiate the fee with the selected firm in accordance with Section 287.055 Florida Statutes

Procurement Procedure

The Tampa Sports Authority is a public agency of the State of Florida and the evaluation, interview and selection process shall comply with the "Consultants' Competitive Negotiations Act", Section 287.055 of the Florida Statutes.
