**Exterior Building Lighting Fixture Replacement  
Bid #14-05**

**ADDENDUM ONE  
September 10, 2015**

**The following questions were received in regard to the Bid Package:**

1. Will Tampa Sports Authority accept/consider bids for material only to take advantage on sales tax savings? *Per Section A-15 in the Notice to Bidders TSA may exercise the right to save tax. Bidder should include tax in bid, and if TSA decides to purchase, taxes will be deducted from payments.* If yes, would a material only bid require a bond? *No Bond will be required on Material.* Is their preference to use a tax exempt contractor if material only direct purchase is not an option? **NO**
2. Is the standard 5 year manufacturer's warranty the minimum requirement for new or retrofit options submitted? **Yes**
3. Do you have a lumen maintenance factor (LXX) minimum requirement for new or retrofit options being submitted? **No**
4. Will you accept a CSA listing in place of UL listing? **Yes, as long as the CSA listing is specific to US standards, not Canadian.**
5. Do you require the new LED fixture option to be fused as the current fixture existing was specified with a single fuse? **Follow manufacturers recommendation for new, retrofit shall follow existing fixture requirement.**
6. Do you have a delivered lumen minimum requirement for the new fixture options? **No**
7. Do any of the submitted fixtures require an emergency battery backup option similar to the existing quartz restrike system in the metal halide fixtures? **No**
8. Do you have a list of products that have been tested or install that are preferred by TSA for this project? **A list is not available.**
9. Which option is, for a bidder to provide only a retrofit kit for the 536 lights not installation? **Option One , per Bid Form**
10. We would like to bid only to provide the retrofit kits. Bidder may provide bids on one or both options
11. Successful bidder must post a performance bond for 100% of material? **Performance bond shall be for labor only.**
12. Must include Florida taxes in bid? **See question 1**
13. Partial bid. Can we submit a partial bid? **May submit a bid for either option or both**

14. SOW says contractor shall pay for all materials? **Correct**
15. Is the contract sum 5% of the total fixture cost? **Assuming this meant amount of bid bond. Amount of bid bond is 5%, cash, cashier's check or Surety.**
16. No progress payments. **Progress payments will be based upon material or labor provided to date**
17. Material supplier have to sign? **The entity entering into the agreement signs the bid**
18. provide list of materials? **Not required at time of bid, follow bid form directions**
19. Drawings of retrofit? **If a retrofit is bid, a sketch shall be included with the samples**
20. Taxes **See Number 1 above**
21. Guarantee insurance for 4 years? **This pertains to situation where contractor is self insured or insurance provided outside of a fully insured program**
22. Manufacturer must be present? **No**
23. Bidder must submit drawing of fixture? **Cut sheet of replacement fixture must be provided with bid**
24. Operation and maintenance data? **Manufacturers operation and maintenance data will be submitted at completion of project**

**The following information shall apply to the specifications and be incorporated into the bid.**

1. An Alternate has been created to provide a separate dollar amount for installation by a licensed contractor. Unit price for labor must include Performance and Labor Bond and all overhead and profit, including any material related to installation.
2. Proof of insurance will be provided with Bid, insurance specific to project will be submitted when Agreement is executed.
3. Replace Bid Form B1-B4 with the following pages:
