

ADDENDUM No. 1 (July 18, 2022)

ADDENDUM TO: Portable Toilet Rental and Service, Raymond James Stadium

BID NUMBER: 21-08

BID DUE DATE: Tuesday, August 9, 2022 *not later than 10:00am*

TO PROPOSER: This addendum is an integral part of the Bid file under consideration by you as a bidder in connection with the subject matter identified above. For clarification, the following additions, changes, modifications, and replacements noted below have been made to the Bid and have been made to the Bid file which bears the above title.

Bid proposals submitted shall conform to these additions and modifications noted herein and including all issued addendums.

QUESTIONS & CLARIFICATIONS: (TSA RESPONSES ARE RED)

1. In the Specification section, you mention standard, wheelchair accessible units and hand wash stations. Do you have a list of the quantities of each? I see 125 standard, 4-5 wheelchair but no quantity for the hand wash stations.

Hand sinks will not be a standard request for most stadium events, but certain events, such as festivals, will request them, so we want to get pricing from all proposers.

2. We would also like to confirm that the standard wheelchair accessible units are acceptable. Those are what you have currently on site and not the full ADA certified units.

The oversized/wheelchair units that our current provider supplies us with are acceptable.

3. You mention that the units in Lots A-D must be removed and replaced for each event. How many units are in those locations and is there onsite storage? How many units are in place year-round or for the full season?

.....

The standard request for the majority of events is (2) units in Lot A, (2) units in Lot B, (4) units in Lot C, and (2) units in Lot D. We are generally pretty flexible with allowing these units to remain in place between most events throughout the year, as long as they are serviced following each event. There may be times where we do need to have them removed between events, but we can communicate that to the vendor with as much advance notice as possible. The only area where we will be very firm on the removal requirements is at HCC. Those units **MUST** be picked up and removed after each event by the time listed in the RFP.

.....

Note: To qualify your proposal, of which this addendum becomes a part, this form must be completed and returned to this office with the proposal.
